

Mahavir Mahavidyalaya has signed an MOU with Dheya Kaaryam for launching a holistic career lab program to develop industry-ready professionals.

Every student is unique and so are their characteristics. Every student has the potential to learn, grow and find their career path. However the big question which arises, “How does one get there”?

Mahavir Mahavidyalaya, Kolhapur in collaboration with Dheya Kaaryam, Pvt.Ltd. Pune has launched one its kind career program ‘Career Labs’. This comprehensive one of its kind curriculum is a distinctive domain wherein the focus will be on linking education to the world of work and creating industry-ready professionals. It gives us immense pleasure to let everyone know that the teachers of Mahavir Mahavidyalaya, with their relentless efforts, in collaboration with the Dheya Community of Mentors have made this crucial milestone possible.
